

DREADNOUGHT BUILDING  
URGED BY REPUBLICANS

Minority Report of House Naval Committee Also Calls for 6 Battle Cruisers and 50 Submarines.

WASHINGTON, May 25.—Republican members of the House Naval Affairs Committee in a minority report submitted to the House today

How many sheets of toilet paper do you get for your money? You don't know, because a roll can be loosely wound to look big.

The only sure way to buy is to see the actual number of sheets printed on the wrapper.

denounced the \$201,000,000 naval appropriation bill reported by the majority as wholly inadequate, and urged more liberal allowances to make the United States navy the second greatest in the world.

The Republicans recommended that the bill provide for two dreadnaughts omitted by the reported measure, six battle cruisers instead of five, fifty coast defense submarines instead of twenty, \$3,500,000 for air craft instead of \$2,000,000, still greater increase in personnel, creation of a national defense council, and means for rushing the building programme by using more than one shift of workmen daily.

The bill should provide, the report declared, for the full number of men required on a peace basis, and should authorize the President to order at his discretion enlistment of such additional men as the navy might need, not to exceed the \$3,762 recommended by the general board.

## BOSTON POLITICIAN GONE.

Police Try to Locate Col. Winthrop M. Merrill, Missing Three Weeks. BOSTON, May 25.—The police are trying to locate Col. Winthrop Merrill, who was prominent in the National Guard and in State politics several years ago. Mrs. Merrill said that her husband left home a month ago for Philadelphia and that he wrote her three weeks ago he would be home the following Saturday. The fact that he was missing was reported to the police by a real estate operator who claims to have advanced money to Merrill.

UNCLE'S MEANNESS. (From the Pittsburgh Post.) "Uncle is a mean man."

"What's the matter with uncle?"

"Baby thinks his bald head is a big Easter egg."

"Well, 'Tet he won't let me touch it up a little with dye just to please the child."
